Choose a class

- From the list place a checkmark next to the class you want to request. If you want an alternate course in case you don't get in, use the alternate 1 and 2 drop down menu
NEW: Use the priority box to let us know which elective is your first choice by numbering them. 1 is the highest priority, click **OK when done.**

Instructions

All students should select either Adventure and Living Activities or Active and Cooperative Games. Students can not take both in the same year to fulfill their Jr PE Requirement. Advanced PE does NOT fill this requirement but can be taken in addition to one of these. PE IS REQUIRED ALL FOUR YEARS OF HIGH SCHOOL

Students are required to take 3 courses (one is Computer Applications) in Career Technology or Fine Arts to meet their graduation requirement.

VIRTUAL HIGH SCHOOL (VHS ONLINE) courses are available to all students in grades 10-12 but require a separate application that you can get from your Guidance Counselor. Visit www.govhs.org for courses and information.

Studio Art II requires successful completion of Studio Art I

Studio Art III requires successful completion of Studio Art II

Photography I requires a working film camera, two rolls of black and white TX or TMAX 400 film

Robotics II requires successful completion of Robotics I

Credits are earned only when courses are fully completed. Partial credit will not be assigned when courses are dropped or when students are removed.

If a student is placed in a full-year course anytime after the first quarter, the credits earned for that course will be determined by the principal.

In addition to these requirements, students must earn qualifying scores on the English, Science, and Mathematics MCAS exams to receive a Swampscott High School diploma.

Minimum Graduation Requirements

Students must enroll in thirty (30) credits each year. A minimum of one hundred twenty (120) credits must be completed to qualify for a Swampscott High School diploma. **These credits must include the following:**

English	4 years and one semester of <i>Writing Across the Curriculum</i> in Grade 9 or 10	22.50 credits
Mathematics	3 years, although state colleges in MA require 4 years of mathematics for admission	15 credits
Social Studies	3 years (including <i>United States History</i>)	15 credits
Science	3 years of lab science: <i>Biology, Chemistry, Physics</i>	15 credits
Foreign Language	A sequence of 2 years of the same foreign language	10 credits
Career Technology & Fine Arts	3 courses (one of which must be <i>Computer Applications</i>)	Variable
Wellness Education	Grades 9 & 10 - <i>Foundations for Fitness I, Foundations for Fitness II Contemporary Adolescent Health I</i> Grades 11 & 12- <i>Active and Cooperative Games (or) Adventure and Lifelong Activities & Contemporary Adolescent Health II</i>	10 credits

At the close of grade 9, students must have earned a minimum of twenty-five (25) credits in order to be considered a tenth grade student. At the close of grade 10, students must have earned a minimum of (fifty-five) 55 credits. At the close of grade 11, students must have earned eighty-five (85) credits in order to be a senior.
